

REMEMBERING  
OUR FALLEN

October 23, 2011

Dear Roger:

This past weekend, we unveiled "*Remembering Our Fallen*" from Colorado in Aurora. This photo memorial display includes Colorado's 85 Fallen Heroes, who died from wounds suffered in Iraq or Afghanistan since September 11, 2011.

We hope that you will be pleased to hear that Randy's photo is included on the display, which was created so that it could travel throughout Colorado to many communities. The display has been warmly embraced by Colorado, and has already been scheduled for the following:

October 24, 26, 27 & 28

November 2-13

November 15-27

November 29-December 6

Aurora Municipal Center, Aurora

Univ. Memorial Center, Univ. of Colorado, Boulder

Colorado State University

State Capitol Rotunda, Denver

...and more will continue to be scheduled into 2012.

Hopefully, you will have an opportunity to see it when it is nearby. If you would like to check the complete Colorado Tour schedule, it is posted on the web site: [www.rememberingourfallen.org](http://www.rememberingourfallen.org). The schedule will continue to be updated weekly, as more communities bring it to their area.

When family members arrived in Aurora for the unveiling, they received buttons (donated by Modern Images of Omaha) with a photo of their loved one. Yours are enclosed.

Bellevue University is the sole sponsor for the production of "*Remembering Our Fallen*." In addition, they are publishing a book, "*We Will Never Forget*." Families and friends are encouraged to send stories of their loved ones, and you can do so online until January: [www.bellevue.edu/neverforget/](http://www.bellevue.edu/neverforget/)

We are so sorry for your tremendous loss and wish there was more that we could say or do; hopefully, this photo display will be of some comfort in knowing that your beloved brother will not be forgotten.

Warmest regards,

Evonne & Bill Williams
